Information was gathered through a comprehensive questionnaire sent to more than 300 construction firms across Canada. Participation in the process was voluntary. *Firms declining to provide revenue information were ranked based upon their associated projects in the Reed Construction Data, Canada project news database. All other rankings are based on self-reported, 2010 gross revenues from Canadian operations, as verified by company officials. Totals include revenues from all branch operations as supplied to Reed Construction Data, Canada. To be considered for 2012 rankings, please email research.canada@reedbusiness.com or call 1-800-387-0213.
